The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

To strengthen public safety in the City of Compton and the County of Los Angeles, my staff is researching the deployment of digital video surveillance cameras, acoustic gunshot detection, automatic license plate recognition, and other advanced law enforcement technologies. The project, known as *Advanced Surveillance and Protection (ASAP)*, will require the input and cooperation from City and County officials in order to ensure effectiveness and compliance with County protocols. I have assembled the *Advanced Surveillance and Protection Committee* as a means to coordinate our efforts.

I would like to personally invite your staff to attend the initial *ASAP Committee* meeting to address any of your questions concerning the project. The initial meeting will be held on Wednesday, June 21, 2006, at 10:30 a.m. at:

Sheriff's Headquarters
1st Floor Conference Room
4700 Ramona Boulevard
Monterey Park, California 91754

If you have any questions about the *ASAP Committee* meeting, your staff can contact Captain Eric Hamilton of Compton Station at (310) 605-6500.

Sincerely,

LERROY D. BACA
SHERIFF
